

WHO WE ARE...

THE FULTZ HOUSE MUSEUM

Our community museum is devoted to telling the stories of daily living in Sackville, Beaver Bank, Kinsac and Lucasville through our archives, artifacts, exhibits and programming.

We provide the community with a place to come and learn about the community's infancy and its evolving life. As well, we profile its interesting citizens, who helped grow and advance the social fabric, economic vibrancy and cultural richness that has led to the communities we know today.

On site are the Fultz House, the Grace Cooperage c.1900, a replica of a late 1800's Blacksmith Shop, and a Carriage House.

Beautiful gardens, spacious lawns, and nature paths surround the Fultz House Museum and the outbuildings, making an ideal wedding venue or for unique family and grad photos.
